Hello,

You are receiving this if you have Registered for the SouthPole-*sium* or I believe you are expecting to.

The start of the gathering is only 60 days away: 1 May 2015.

At the moment there are officially 54 registered. If you count a few that have submitted the Registration Form but have yet to pay, the number is just under 60. See <http://www.antarctic-circle.org/gathering2-registered.htm> for those who have registered.

For those who haven't but may or may not attend, see <http://www.antarctic-circle.org/gathering2-attendees.htm>

I am hopeful that we will be able to reach a total of 70 registrants. Please feel free to inform any friends or colleagues about the SouthPole-*sium*.

A new section has been added to the Home Page and to the individual sections: "**Logistics & Sharing**." You'll see it near the top of each. This is for persons needing or offering transport or accommodation. If you want to add something, send it on to me.

Also listed at the top of the Home Page and all sections are our co-sponsors: Don Webster, Janice Tipping, Maggs Bros. and Kingsbridge Books. I thank them all for their support. If you would like to be a co-sponsor, I would be happy to tell you what's involved.

A new Facebook page has been created, too. This is a "**Closed Group**," which means only those people who have registered or intend to are included and can gain access. But you have to have a Facebook account in order to become a member. A request to join the Group will go to me and once its confirmed, you'll be able to post queries, comments, etc. In order to start the process go to <https://www.facebook.com/groups/678030398967566/>

The Home page of the website has been extensively revised and updated so please have a look when you have a moment: <http://www.antarctic-circle.org/gathering2.htm>

I will be sending updates to you all as information changes or develops. Unless there is something important to pass on, the next update will probably be around the 1st of April.

Before then I may be in touch with some or all of you who have expressed interest in speaking at the SouthPole-*sium*.

Regards,

Rob Stephenson
