Dear SouthPole-sium v.4.5 Registrant,

Seamus Taaffe has created a Survey Monkey **survey** which you are invited to complete and submit.

The link to the survey is <https://www.surveymonkey.com/r/Q32S8JQ>

The survey is brief and includes the following questions:

SouthPole-sium v.5

What are the major topics you would like to discuss at the SouthPole-sium v.5?

1. Do you want the event to focus exclusively on Antarctic Books? • Yes • No
2. Do you want the event to deal with topics up to and including the Heroic Age only?
• Yes • No
3. Do you want the event to deal with Antarctic Exploration post-1922? • Yes • No
4. Would you like the event to have a focus on other topics such as Antarctic Science?
• Yes • No
5. Would you like to see a discussion of ‘Antarctic Odds & Ends’?
Please rank in order of your interest. • Extremely interested • Very interested • Somewhat interested • Not so interested • Not at all interested
6. Please rank the likelihood of your attending the SouthPole-sium v.5 in San Francisco in June of 2022.
• Very likely • Possibly • Very unlikely • Sorry can’t make it

Seamus will tabulate the results and report on them at the SouthPole-sium v.4.5 on June 26th.

If you have not e-mailed me your list of **your favorite Antarctic Books**, feel free to do so now. List up to 10 and rank them if you wish. When I say “favorites” I mean those books that you’ve enjoyed most while reading them or since in retrospection.

What’s Next? A reminder of the Zoom Gathering will go out on **June 24th**. It will include the Zoom link.

Rob Stephenson
